This contribution assists in providing items including school text books, paper, exercise books, software, school library materials, printing materials, art and craft supplies, cardex, photocopy paper and tissues.

2. PERSONAL STATIONERY REQUIREMENTS

A separate booklist is sent out in Term 4 detailing children's personal requirements. Parents are under no obligation to buy every item from an Educational Supplier. The school receives a commission from the supplier.

3. FUNDRAISING

At various times during the year there may be different forms of fundraising. Most of these are coordinated through the P&C where parents are welcome to attend and have their say about such matters.
